

# Mazelations

Larry Robbins

## VERSE 1

Let's raise a glass and we'll toast  
Once in a lifetime moment we'll treasure most  
And drink in total success  
What a beautiful mess

## VERSE 2

Now it all seems a blur  
A memory that might have never occurred  
Seems it all fell in place  
Seems this moment was blessed

## VERSE 3

When words just can't say enough  
We'll talk in silence with a kiss and a hug  
It's so hard to convey,  
With just the right word

## VERSE 4

Need more than usual fluff  
Congratulations, mazel tov's not enough  
Need a word that's unique  
When lifetime moments occur

## PRE-CHORUS

Let's take the best of both worlds  
Shake it up and give it a whirl

## CHORUS 1

**Mazelations, let's celebrate  
Mazelations, congratulate  
Wish you happy and healthy and everything great  
Mazelations, let's celebrate**

## CHORUS 2

**Mazelations, coming to you  
Mazelations, for all that you do  
Now a lifetime of happiness, dreams that come true  
Love and Mazelations to you**

## BRIDGE 1

I remember what you said  
All those words spin in my head  
Be yourself and you'll amaze  
Important that tradition stays  
Important we articulate  
Mazelations celebrate  
Now

## BRIDGE 2

Now I'm filled with deep emotion  
Toast you all with deep devotion  
Toast the strangers we will meet  
Now family moving to the beat  
They all move in, they all move out  
It's Mazelations that they shout  
Wow

## PRE-CHORUS

## CHORUS 1

## CHORUS 2

Love and Mazelations to you  
Mazelations coming to you
